THE BCS AND THE BIG EAST CONFERENCE

The Bowl Championship Series (BCS) – entering its ninth season in 2006-07 – is a five-game arrangement for postseason college football that is designed to match the two top-rated teams in a national championship game and to create exciting and competitive matchups between eight other highly regarded teams in four other BCS games.

The BIG EAST has been a charter member in the championship agreement. The league will continue as an automatic qualifier in the new BCS agreement that begins in 2006.

The Tostitos Fiesta, FedEx Orange, Allstate Sugar and Rose Bowls have joined with the BIG EAST, Atlantic Coast, Big Ten, Big 12, Pacific-10 and Southeastern Conferences and the University of Notre Dame to form the Bowl Championship Series. Beginning in 2006, each bowl will host two games once every four years - its traditional game plus a National Championship contest approximately one week later.

The BCS is managed by the commissioners of the 11 NCAA Division I-A conferences, the director of athletics at the University of Notre Dame and representatives of the bowl organizations. The conference commissioners and the Notre Dame athletics director make decisions regarding all BCS issues, in consultation with an athletics directors advisory group and subject to approval of a presidential oversight committee whose members represent all 117 Division I-A programs.

The 2006-07 season is the first year of a television agreement with Fox Sports. Fox will televise the Tostitos Fiesta Bowl, Allstate Sugar Bowl, FedEx Orange Bowl and the BCS National Championship Game. ABC has an agreement to continue to televise the Rose Bowl through 2014.

Last season, West Virginia earned the BIG EAST's automatic Bowl Championship Series bid and represented the conference in the 2006 Nokia Sugar Bowl in Atlanta. The Mountaineers defeated Georgia, 38-35, to finish the year fifth in the final Associated Press Top 25 Poll and sixth in the final USA Today Poll.

BCS Automatic Qualifications

1. The top two teams in the final BCS Standings shall play in the National Championship Game.
2. The champions of the ACC, BIG EAST, Big Ten, Big 12, Pac-10, and Southeastern conferences will have automatic berths in one of the participating bowls after the 2006 and 2007 regular seasons.
3. The Division I-A conferences have developed standards for annual automatic qualification for conference champions after the 2008 and 2009 regular seasons. (See "Standards for Conference Automatic Qualification, 2009 and 2010 bowl games") The standards are based on performance during the 2004-2007 college football regular seasons. Such standards, however, will not prohibit the champion of any conference that has contracted with a Bowl to play in any particular game from playing in one of the participating BCS bowls. For example, the Big Ten and Pac-10 champions will, by contract, play in the Rose Bowl every year unless one or both of those teams qualifies for the National Championship Game.

   The champions of selected conferences are contractually committed to host selected games, unless those champions qualify for the BCS National Championship Game, as follows

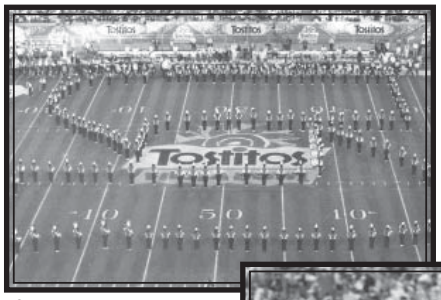
   Atlantic Coast Conference — Orange Bowl
   Big Ten Conference — Rose Bowl
   Big 12 Conference — Fiesta Bowl
   Pac-10 Conference — Rose Bowl
   Southeastern Conference — Sugar Bowl

4. The champion of Conference USA, the Mid-American Conference, the Mountain West Conference, the Sun Belt Conference, or the Western Athletic Conference shall earn an automatic berth in a BCS bowl game if either:

   A. Such team is ranked in the top 12 of the final BCS Standings, or,
   B. Such team is ranked in the top 16 of the final BCS Standings and its ranking in the final BCS Standings is higher than that of a champion of a conference that has an annual automatic berth in one of the BCS bowls.

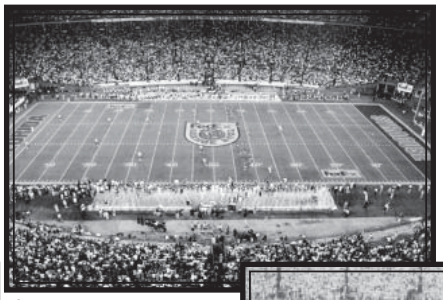
   No more than one such team from Conference USA, the Mid-American Conference, the Mountain West Conference, the Sun Belt Conference, and the Western Athletic Conference shall earn an automatic berth in any year under the terms of this Paragraph 3. If two or more teams from such conferences satisfy the provisions for an automatic berth in any particular year, then the team with the highest finish in the final BCS Standings shall receive the automatic berth, and the remaining team or teams shall be in the pool of teams eligible for selection by the bowls as at-large teams.
5. Notre Dame will have an automatic berth in one of the participating bowls if it is in the top eight of the final BCS Standings.
6. If any of the 10 slots remain open after application of provisions 1 through 5, and an at-large team from a conference with an annual automatic berth for its champion is ranked No. 3 in the final BCS Standings, that team shall become an automatic qualifier.
7. If any of the 10 slots remain open after application of provisions 1 through 6, and an at-large team from a conference with an annual automatic berth for its champion is ranked No. 4 in the final BCS Standings, that team shall become an automatic qualifier.
8. If any slots remain unfilled after the placement of all teams qualifying for an automatic berth, then the bowls shall choose their participants from the "pool of eligible teams" (requirements: has won at least nine regular season games, not including exempted games, and is among the top 14 teams in the final BCS Standings.)

Fiesta Bowl



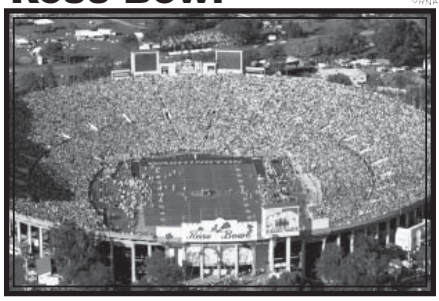
Syracuse earned invitations to the Fiesta Bowl in 1993 and 1997.

Orange Bowl



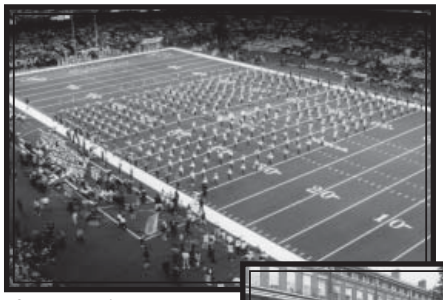
Syracuse made its first-ever bowl appearance at the Orange Bowl in 1953. The Orange also played in the Orange Bowl in 1959 and 1997.

Rose Bowl



The Rose Bowl joined the Bowl Championship series in 1998.

Sugar Bowl



SU tied Auburn, 16-16, in the 1988 Sugar Bowl, finishing the season with an 11-0-1 record.

THE BIG EAST AND THE BOWLS

In addition to the Bowl Championship Series, the BIG EAST Conference also has agreements with a number of other postseason bowl games.

In a first-of-its-kind collaboration among Division I conferences and football bowl partners, the BIG EAST and Big 12 Conferences — along with Notre Dame — have together forged a bowl partnership beginning in 2006 that will assure both BCS Conferences' and Notre Dame's participation in the Toyota Gator Bowl and Vitalis Sun Bowl over a four-year period. In years when selecting a BIG EAST team, the Toyota Gator Bowl or Vitalis Sun Bowl will have the first pick after the BIG EAST's representative to the Bowl Championship Series has been determined. The Atlantic Coast Conference will provide the opposition in the Toyota Gator Bowl (CBS) and the Pac-10 Conference will participate in the Vitalis Sun Bowl (CBS).

The Meineke Car Care Bowl is now in its fifth year with the BIG EAST Conference. The Meineke Car Care Bowl (ESPN), which is played in Bank of America Stadium in Charlotte, N.C., will pick after the Toyota Gator Bowl or Vitalis Sun Bowl. If Navy is bowl eligible in 2006, the Midshipmen will receive the bid to the Meineke Car Care Bowl.

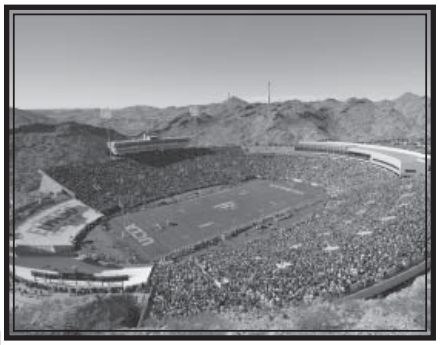
In November, the BIG EAST entered a four-year agreement to participate in the Houston Bowl and will meet an opponent from the Big 12 Conference beginning in the 2006 season. On April 27, the NCAA Bowl Certification Committee gave the Houston Bowl a 60-day extension before making a decision on certification. The Houston Bowl is played at the state-of-the-art Reliant Stadium in Houston, Texas.

The BIG EAST Conference has also aligned itself with two new bowls – the International Bowl in Toronto, Ontario, and the Birmingham Bowl in Birmingham, Ala. The new agreements currently give the BIG EAST a total of six bowl deals. In the International Bowl, the BIG EAST will meet a team from the Mid-American Conference. In the Birmingham Bowl, the BIG EAST will play a team from Conference USA. The International Bowl will be played at the Rogers Centre on Jan. 6. The Birmingham Bowl will be played at Legion Field on Dec. 23. Both games will be televised by ESPN or ESPN2.

Gator Bowl

Syracuse shutout Clemson in the 1996 Gator Bowl.

Sun Bowl



Although Syracuse has never participated in the Sun Bowl, the Orange has played two bowl games in the state of Texas. Syracuse is 1-1 all time in the Cotton Bowl, including a 23-14 victory against Texas in the Orange's National Championship 1959 season.

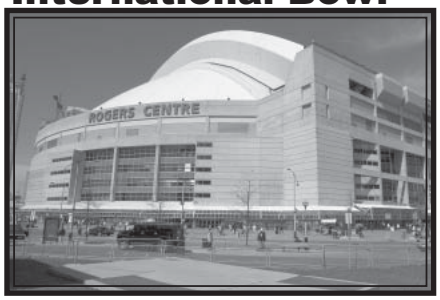
Meineke Car Care Bowl

The Meineke Car Care Bowl, which is played in Charlotte, will feature a BIG EAST team squaring off against an Atlantic Coast Conference foe.

Houston Bowl

The BIG EAST and Big 12 Conferences have an agreement to square off in the Houston Bowl for the next four years.

International Bowl



The International Bowl, which will be played in the Rogers Center in Toronto, Ontario, will feature a BIG EAST squad against a team from the Mid-American Conference.

Birmingham Bowl

The BIG EAST and Conference USA will face off in the Birmingham Bowl on December 23 at Legion Field in Birmingham, Ala.

2006 SEASON PREVIEW

SUATHLETICS.COM

Senior quarterback Perry Patterson, a two-year starter for the Orange, will lead the Orange offense in 2006.

The groundwork is laid. In the second year of the Greg Robinson era, the foundation of "better things to come" is in place. The first season was challenging, to say the least, and a 1-10 final record disappointing, but Robinson knew the task of implementing new playbooks on the offensive and defensive sides of the ball would be daunting. However, he felt so strong about his philosophies on scoring points and defending his endzone, he embarked on the full-scale overhaul. The Orange staff is ready to add another level to the new Syracuse football foundation now that the hard work of the first year is in the bank.

OFFENSIVE DEVELOPMENT CONTINUES WITH NEW DRIVER

The keys to the Orange offense now reside in the hands of first-year Syracuse assistant coach **Brian White**. The former Wisconsin offensive coordinator is expected to build on the changes implemented during Robinson's first year at the helm.

"I don't think the offense is going to change in terms of what they're going to see formationally and play-wise," said **White** at the time of his hiring. "What I hope will change and what I believe will happen is that the execution will be better. "

The offense returns six starters and a total of 17 letterwinners.

Quarterbacks

Perry Patterson, who started eight games last fall, used the offseason to focus on his conditioning and enjoyed a stellar spring-practice campaign. **Phil Earley**, a sideline veteran in the collegiate ranks, has stepped in as the Syracuse quarterback coach.

Wide Receivers

Top receivers **Tim Lane** and **Rice Moss** return to anchor this unit, which was the youngest group on the offensive side of the ball as Robinson and his staff implemented the west-coast offense. In addition, the Orange welcome newcomers **Taj Smith**, a New Jersey native who transferred from Bakersfield Community College, and local standout **Lavar Lobdell**, who was forced to sit out last season due to a shoulder injury. In addition, redshirt freshmen **Daniel Bailey** and **Jeremy Horne** will add depth to the group.

ORANGE SLICES

Celebration in the Rafters

One of the most storied numbers ever associated with a college football program – Syracuse's 44 – was retired in November, 2005 … The jersey now hangs on the top beam in the Carrier Dome, honoring the three individuals who made the #44 famous – Jim Brown, Floyd Little and Ernie Davis.

Brown, who played at SU from 1954-56 and led the team to a Cotton Bowl berth, went on to become the NFL's all-time leading rusher and a member of the Pro and College Football Halls of Fame. He led the league in rushing eight times in his nine years. Many still point to him as the greatest running back of all time. Among Brown's accomplishments at Syracuse was setting an NCAA single-game record of 43 points against Colgate in a 61-6 SU win.

Davis played for the Orange from 1959-61. He won the 1961 Heisman Trophy, becoming the first African-American to do so, and was a starter on SU's 1959 national championship team. Davis also signed to play with the Cleveland Browns, but the devastating combination of Davis and Brown in the same backfield never came to pass. Davis died of leukemia in 1963. He was later inducted into the College Football Hall of Fame.

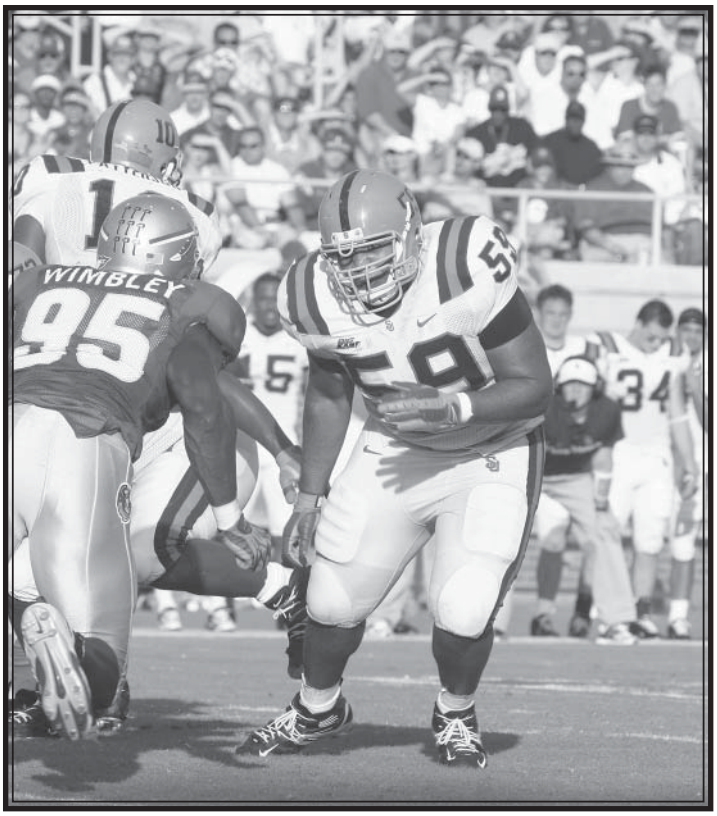
Little, a three-time All-America selection, played for SU from 1964-66 and led the team to the Sugar Bowl in 1964 and the Gator Bowl in 1966 (teaming in the backfield with Larry Csonka in the latter). Little was the greatest kick returner in Orange history.

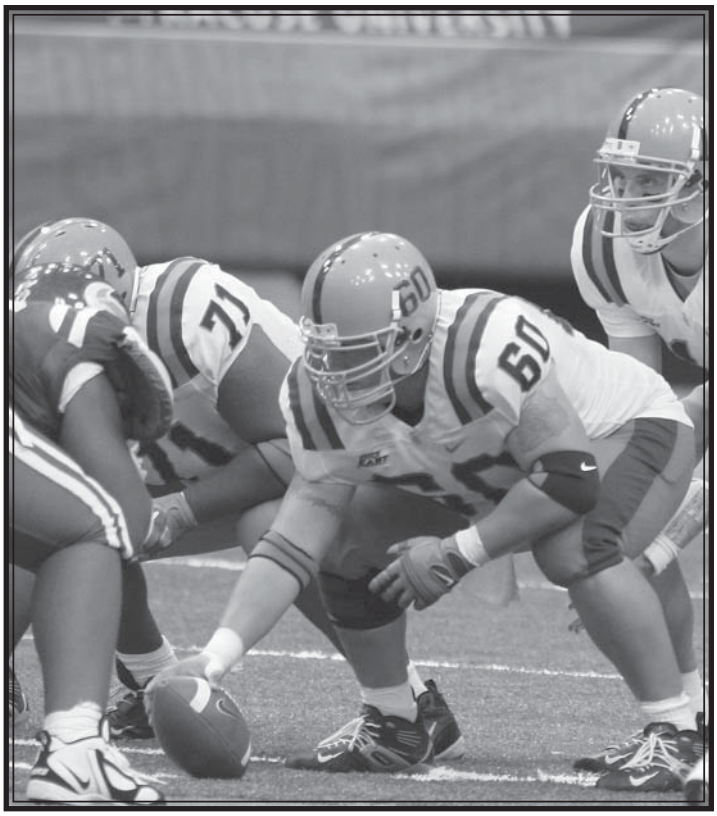
In addition to breaking the records of Brown and Davis, he led the nation in all-purpose yardage in 1965, averaging 199 yards per game. Little went on to have a tremendous career with the Denver Broncos, winning back-to-back rushing titles in 1970-71. He, too, was inducted into the College Football Hall of Fame.

How much does number 44 mean to Syracuse University and the surrounding community? For starters, the university zip code was changed a few years ago from 13210 to 13244. And in 1988, when the university changed phone systems, the exchange was changed from 423 to 443. One of the student hangouts in the Marshall Street area was named simply "44s". Number 44 not only has come to represent greatness on the football field, it has become a part of the university's and the community's identity.

Tribute at the Hall of Fame

The College Football Hall of Fame honored the storied #44 with a tribute during the 2005 season. The exhibit centered on Jim Brown, Ernie Davis and Floyd Little, all of whom are College Football Hall of Famers and the three most famous players to wear the Syracuse 44 jersey. The display included a highlight video of the talented trio and a separate video on the tragic story of Davis, who succumbed to Leukemia at the age of 23 shortly after becoming the first African-American recipient of the Heisman Memorial Trophy.





Returning starters Carroll Madison(left) and Justin Outten (right) are the most experienced offensive linemen entering the season. In 2005, Madison, a junior, started six games at guard and three at tackle, while Outten anchored the center position for all 11 games.

Tight Ends

Senior **Brandon Darlington** and sophomore **Tom Ferron** headine the group involved in a spirited competition in the search for a starting tight end to replace Joe Kowalewski, who ranked fourth on the club in catches (16).

Brandon Darlington (Senior, 6-4, 260)
- Saw field time in seven games, including two starts, last fall.

Tom Ferron (Sophomore, 6-3, 252)
- His first career catch was a 30-yard play versus Buffalo.

Arthur Kapalanga (Senior, 6-1, 235)
- Played in 10 games and had his first collegiate reception in 2005.

Jawad Nesheiwat (Junior, 6-4, 246)
- Transfer from Western Carolina.

Kyle Bell (Junior, 6-1, 231)
- Made considerable strength gains in the past year.

Also in the tight end mix … Ryan Donnelly (So., East Syracuse, N.Y.).

Offensive Line

The offensive line has just two returning starters in center **Justin Outten** and guard **Carroll Madison**. The group lost 2005 starting tackles Kurt Falke and Quinn Ojinnaka and first-string guard Steve Franklin.

Justin Outten (Center, Senior, 6-1, 274)
- The only returning lineman to start all 11 contests in 2005.

Carroll Madison (Center, Junior, 6-2, 316)
- Started at guard (six games) and tackle (three) as a sophomore.

Corey Chavers (Tackle, Sophomore, 6-5, 295)
- Emerged as a tackle candidate following a strong spring.

Ryan Durand (Guard, Sophomore, 6-5, 312)
- Played in seven games last fall.

Eugene Newsome (Tackle, Junior, 6-7, 322)
- The tallest player on the Syracuse roster, Newsome has re-worked his body after a dedicated offseason of weight training.

David Bouchard (Guard, Sophomore, 6-5, 297)

- Played in six contests in 2005.

Ian Hammond (Tackle, Junior, 6-3, 308)
- Transfer from Saddleback Community College.

Marvin McCall (Center, Junior, 6-2, 292)
- Made travel roster for every game in 2005, but did not play.

Mike Sklarosky (Guard, Senior, 6-4, 277)
- Started at tackle at Notre Dame last November.

Adam Rosner (Tackle, Freshman, 6-6, 315)
- Enrolled in January, 2006 and participated in Spring practice.

Also in the offensive line mix … Ryan Bartholomew (Fr., Mitchellville, Md.), Tucker Baumbach (Fr., Middletown, Pa.), Jim McKenzie (Fr., Springfield, Pa.), Johnathan Meldrum (Fr., Virginia Beach, Va.), Larry Norton (Jr., Burnsville, Minn.).

Junior Lee Williams (55), who played in all 11 games last year, is one of four players vying to take over for 2006 NFL draft selections Ryan LaCasse and James Wyche.

FINE-TUNING TIME FOR DEFENSE

The Orange defensive crew jumped from 101st (426.8 to 57th (372.7) in total yards allowed with head coach **Greg Robinson** calling the alignments. Another jump will put the unit on par with the top defenders in Division I football. Four defensive starters and 23 letterwinners are back on the roster.

Defensive Ends

Four ends, including **Lee Williams**, **Jameel McClain**, **Nick Santiago** and **Brandon Gilbeaux**, are involved in a battle to replace 2005 starters Ryan LaCasse and James Wyche, who combined for 13.5 sacks and 110 total tackles, were key to the resurgent Syracuse defense. Both were drafted by the NFL in April.

Lee Williams (RE, Junior, 6-3, 262)
• Took the field in all 11 games of 2005.

Nick Santiago (LE, Sophomore, 6-3, 298)
• He slides over from defensive tackle, where he played nine games.

ORANGE SLICES

SU Another Linebacker U.?

A casual, post-game photo of friends following the 1999 Orange Bowl has developed into something much more dramatic when looked at in 2006 … Keith Bulluck, Clifton Smith and Morlon Greenwood (pictured at right) were each members of Syracuse's squad at the Orange Bowl … Today, all three have NFL experience … Bulluck and Greenwood have developed into starting linebackers with the Tennessee Titans and Houston Texans, respectively … Smith, despite being slowed by injuries, has spent time with the Washington Redskins and Cleveland Browns … Smith and Greenwood were each products of Freeport High School (N.Y.), as is current Orange senior linebacker Jerry Mackey.

Stately Success

Five members of the 2006 Orange squad won state championships during their high school athletics careers.

2006 Non-Conference Schedule Features New Names

Syracuse will take the field against five non-conference opponents that are not familiar to Orange fans … The last time Syracuse has faced any of its 2006 non-conference opponents was 1987 when the Orange played Miami (OH) … Syracuse last played Illinois in 1982, while the Orange has not matched up with Iowa since 1976 … Syracuse's games against Wake Forest and Wyoming will be the first against those schools in the 116-year history of the program.

Junior Tony Jenkins, a 2004 Freshman All-America selection who has 84 career tackles, including four for a loss, will join 2005 starter Chris Thorner to anchor the interior of the defensive line.

Defensive Tackles

Returning starter **Chris Thorner** and 2004 starter **Tony Jenkins** give the Orange two strong veterans on the interior of the front four. Junior **Cornelius Campbell** and redshirt freshman **Arthur Jones** will battle Thorner and Jenkins for playing time.

Safeties

Junior safety **Dowayne Davis** heads up the list of veteran safeties. In 2005 he secured a starting spot and ranked second on the club in total tackles (78). Greg ROBINSON

HEAD COACH

Second season as SU head coach
(appointed January 11, 2005)
A 1975 graduate of the University of Pacific (political science)

"Greg will bring a lot of energy to Syracuse. Some of the reasons we won two Super Bowls were his defensive schemes and the way he coached our players. He has very similar philosophies to Pete Carroll, who has obviously had a lot of success at USC. I think Greg can have similar success at Syracuse."
- Mike Shanahan
Denver Broncos head coach

The appointment of Greg Robinson as Syracuse University's 27th head football coach on January 11, 2005, put the program in the hands of a mentor with Super Bowl rings and Bowl-game triumphs on his resume. Considered one of the top defensive minds in football, Robinson fit the characteristics SU Director of Athletics Daryl Gross was looking for in a head football coach.

"Greg Robinson brings a winning attitude and championship football tradition to our program," Gross said. "He has had nothing but success in postseason games with four Rose Bowl rings, eight overall bowl victories in eight appearances and seven NFL postseason wins, including two Super Bowls."

In his first year with the Orange, the defense showed vast improvement in almost every major NCAA Division I statistical ranking from 2004. The biggest improvement was in the secondary where the Orange climbed to 21st in the nation (allowing 185.5 yards per game) from 90th in 2004 (240.2 yards per game). Syracuse's defensive backs also improved in passing efficiency defense, moving up 60 spots in the national rankings from 2004 (97th to 37th). The Orange's total defense numbers improved, as well. The 2005 Orange ranked 57th nationally (372.7 yards per game), an improvement from the 101st spot (359.5 yards per game) in 2004. The 2005 Orange tied for 34th in the country with 14 interceptions.

Robinson's recruiting efforts have focused on keeping New York state's talent home. He has signed 13 New Yorkers to date, including six in 2006.

"In the five years in New York with the Jets, I developed a lot of strong relationships with people and from the time I left New York, it never left us," Robinson said of his coaching stint with the New York Jets. "It was part of our family. I had relationships with some outstanding young people, who were football players I had the opportunity to coach with the Jets, in Paul Frase, Rob Moore and Art Monk. They are fine people, as well as excellent football players. I know a lot about Syracuse, so when the opportunity was out there, I went after it very hard. To me the thought of coming back to New York and being at Syracuse University with the tradition that it has, was very exciting."

Robinson assumed the leadership for an Orange program that has a 664-446-49 record in its 116 years of existence. Syracuse is 12th on the all-time Division I record list for wins with 664.

The Syracuse post is Robinson's first as a head coach. A veteran of 14 seasons coaching in the NFL, including 10 as a defensive coordinator, Robinson has coached for 30 years either at the NFL or college level. He spent his first 15 seasons as a college coach.

"It has been a long time coming," Robinson said of his first head coaching position. "It is funny how your blessings come, but I am really glad that the opportunity is coming now in my career. I am so much better than I was a number of years ago. I left college football 15 years ago and went off to professional football for 14 years, but I am glad that I was able to come back to college football to the University of Texas and to get back and realize how much I missed about the college experience. I saw how much better prepared I was to take on whatever the world was going to be, as a defensive coordinator or a head coach eventually. I had experienced so much during the 14 years prior to coming to the University of Texas that I can see now that I was ready to go."

Emphasis on Defense

The co-defensive coordinator at the University of Texas in 2004, Robinson was the mastermind behind the Longhorns' defensive unit for the 11-1 squad that beat Michigan in the 2005 Rose Bowl. Prior to his stint in Austin, Texas, Robinson spent 14 years as an NFL assistant with the New York Jets, Denver Broncos and Kansas City Chiefs.

Robinson's Texas defense finished the season ranked 18th in scoring defense (17.92), 16th in rushing defense (107.42) and 23rd in total defense (320.08) in the country. The Longhorns held six of Texas' 12 opponents to 14 points or less. In addition, the defense was also able to hold two of the nation's top scoring teams, Oklahoma and Texas Tech, 23 points and 14 points below their season averages, respectively.

Under Robinson's mentoring, the 2004 UT defense produced two first-team All-Big 12 selections and five others who earned recognition among the All-Big 12 second, third and honorable mention teams.

2006 ORANGE COACHING STAFF

Establishing the System

Robinson spent three seasons as the defensive coordinator for the Kansas City Chiefs (2001-03). He helped turn a team that was 7-9 in 2000, the year before he arrived, into a unit that posted the second-best record in the NFL in 2003 (13-3). Robinson guided aggressive Chiefs' units that produced 70 sacks and forced 68 turnovers (43 interceptions/25 fumble recoveries) in 2002 and 2003. During that time, Kansas City posted a 21-11 record.

In 2001, the Chiefs registered 34 sacks, 18 interceptions and forced 31 miscues. They led the AFC and ranked third in the NFL in turnover margin that year. In 2003, Robinson's defense accumulated 36 sacks (T-6th/AFC), 25 interceptions (2nd AFC/3rd NFL), forced 37 turnovers (T-3rd AFC/5th NFL) and led the NFL in turnover margin (+19).

Robinson established his reputation as a defensive mastermind in Denver. After inheriting a club that ranked last in total defense in 1994, Robinson schemed his group to 15th overall in 2005. By 1996, he had turned Denver into the league's fourth-rated defensive unit, and a year later the Broncos won the first of two straight Super Bowl titles.

During his stellar six-season stay in Denver, the Broncos made four playoff appearances and claimed back-to-back World Championships with wins in Super Bowls XXXII and XXXIII, making them just one of six franchises in NFL history to accomplish a Super Bowl repeat. In that six-year span, Denver compiled a 64-32 (.667) regular-season record.

The Broncos ranked in the NFL's top 10 in total defense during three of Robinson's six seasons at the club's defensive helm, finishing seventh in '99 (297.1 ypg), fifth in '97 (291.9 ypg) and fourth in '96 (279.4 ypg). Denver's defenses produced three top 10 rankings in scoring defense - eighth in '98 (19.3 ppg), sixth in '97 (17.9 ppg) and seventh in '96 (17.2 ppg). The team's pass defense ranked among the league's top 10 in four of his six seasons with Denver finishing eighth in '99 (188.5 ypg), fifth in '97 (179.3 ypg), 10th in '96 (196.2 ypg) and ninth in '95 (206.1 ypg). Denver's run defense ranked in the league's top 10 three times during Robinson's tenure. Denver led the NFL in run defense in 1997 (83.2 ypg.) and ranked third in 1998 (80.4 ypg).

The performance of Robinson's defense throughout the '98 playoffs was paramount to Denver's quest for a second straight title. The Broncos allowed opponents just 25 total points, 53.0 rushing yards per game and forced a remarkable 13 turnovers in the three postseason games.

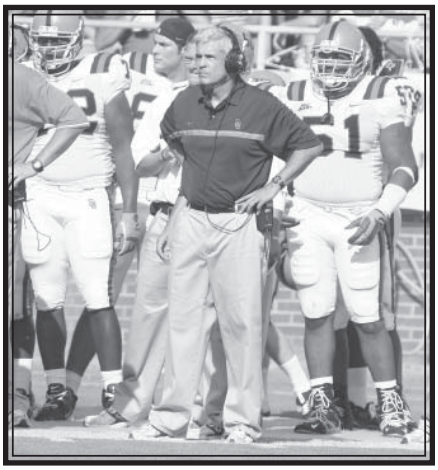
Robinson had a five-year stint with the New York Jets (1990-94). He coached the defensive line from 1990-93 and served as defensive coordinator in '94 when the Jets ranked eighth in the league in scoring defense (20.0). During his last four years with the Jets, the defense forced 151 turnovers, the most in the AFC and second most in the NFL during that span. They improved from 27th in the league in total defense in '89 to eighth in '93.



The Carroll Connection

Robinson's development into a head coach at the major-college level came on a path that featured many shared rides with USC mentor Pete Carroll. The two grid bosses were teammates at Pacific and then served on the coaching staff together at their alma mater. After a few seasons at different posts they joined forces again in 1980 as assistants at North Carolina State. After their careers took different turns, the duo came together again in 1990 with the New York Jets. When Carroll was named head coach in 1994, Robinson was tabbed as defensive coordinator.

Carroll gave strong recommendations of Robinson in 2004, when Texas hired him, and a year later when Syracuse came calling.

Excellence Began in College Ranks

Robinson was a linebacker at Bakersfield Community College from 1970-71 before moving on to play center, tight end and linebacker at Pacific in 1972-74. A 1975 graduate of Pacific with a degree in political science, Robinson began his coaching career as a graduate assistant at Pacific in 1975-76. He made stops at Cal State Fullerton (1977-79) and North Carolina State (1980-81) before moving to UCLA in 1982.

The Los Angeles native spent his first 15 years of coaching in the collegiate ranks and entered the NFL after an eight-year stint at UCLA (1982-89). Robinson was the Bruins defensive line coach from 1982-88 before switching sides of the ball to serve as offensive coordinator in 1989. He was a member of three Rose Bowl Champion squads during his tenure with the Bruins, following the 1982, '83 and '85 seasons. He had been promoted to assistant head coach at UCLA for the 1990 season, but opted to join the Jets instead.

He and his wife, Laura, have three children: Dominic, Lindsay and Leslie. Dominic is in his second year as a graduate assistant at SU.

Anthony Smith

SU lost to BIG EAST rival West Virginia, 15-7, in the season-opener for both teams. A crowd of 45,418 gathered to watch the beginning of head coach Greg Robinson's era. It was the largest crowd to see an SU home opener since 1999.

The Orange scored the first points of the game when senior **Damien Rhodes** scored on a five-yard touchdown run. A 20-yard punt return by redshirt freshman **J.J. Bedle** set up the SU scoring drive. Rhodes finished the game with 46 yards rushing on 16 carries and a career-best seven receptions for 21 yards.

After the Orange defense forced a WVU punt, the Mountaineers tied the game when Eric Wicks intercepted Orange quarterback **Perry Patterson's** pass on the first play of the drive and returned it 31 yards for a touchdown with 12:24 remaining in the second quarter.

West Virginia took a 10-7 lead on a 33-yard field goal by Pat McAfee with 5:53 left in the third quarter. In the fourth quarter the Mountaineers added a safety with 8:02 left in the game to take a five point lead, 12-7, and then finished the scoring with a 26-yard field goal with 3:26 remaining in the contest.

SU's defense forced five West Virginia turnovers, including four fumbles. In the first quarter senior free safety **Anthony Smith** forced a fumble, which was recovered by junior **Tanard Jackson**, and then Smith recovered a fumble that was forced by senior James Wyche. SU senior **Kader Drame** forced a fumble in the second quarter that was recovered by senior **Tommy Harris**.

In the third quarter, Jackson recorded SU's fourth turnover of the day with an interception. The final WVU turnover was Smith's second fumble recovery with 11:39 remaining in the game. That turnover was caused by SU sophomore Tony Jenkins.

Senior **Steve Gregory** led SU with nine tackles, including seven solo and one for a loss, and junior **Kelvin Smith** had eight tackles, including six solo.

Orange punter **Brendan Carney** had a single-game career best 481 yards on 11 punts, including a 58-yard punt in the first quarter.

Prior to Sunday's game, Syracuse volunteers raised more than $57,000 in relief efforts for those affected by Hurricane Katrina.

Syracuse 31
Buffalo 0

September 10 at the Carrier Dome, Syracuse, N.Y.

Damien Rhodes

The Orange offense and defense turned in strong performances in SU's 31-0 shutout of Buffalo before 34,442 fans. Running back **Damien Rhodes** rushed for a career-high 236 yards and four touchdowns for the offense that gained 486 total yards and free safety **Anthony Smith** recorded two interceptions to lead the SU defense that allowed just 123 total yards of offense in the game.

Rhodes rushed for 27-, 50-, and 54-yard touchdowns in the first half to lead SU to its third-straight win against the Bulls. The win was also Greg Robinson's first victory as a head coach.

Smith's pair of interceptions marks the first time an SU player has picked off two passes since Smith did it in 2003 against Notre Dame.

The shutout is the first for the Orange since 1997, when SU beat East Carolina 56-0. Syracuse held its opponent to less than 200 yards of total offense for the first time since 2002 (Rutgers) and allowed less than 10 first downs for the first time since 1999 (Temple).

SU put its first points on the scoreboard on its second possession of the game. Tight end **Tom Ferron** caught his first career pass from quarterback **Perry Patterson** and ran down the sideline for a 29-yard gain. On the next play, Rhodes scampered to the end zone for a 27-yard touchdown run. Rhodes scored again, on a 50-yard run in the second quarter.

On the Bulls next possession, Smith recorded his first interception of the game at the UB 49-yard line.

Orange kicker **Ricky Krautman's** first career field goal, a 21-yarder, gave SU a 13-0 lead.

When the Bulls drove into SU territory on their next possession, Smith stepped in again for his second interception of the day. Rhodes gave SU a 24-0 lead with his third rushing scored of the day, a 54-yard scamper run up the middle.

On SU's first possession of the second half, Patterson found wide receiver **Tim Lane** down the field for a 44-yard completion down to the UB three-yard line. Rhodes found the end zone for the fourth time in the game for the game's final score.

Game #3

Syracuse	**24**
#25/20 Virginia	**27**

September 17 at the Carrier Dome, Syracuse, N.Y.

Perry Patterson

Virginia kicked a 19-yard field goal as time expired to beat Syracuse in front of 40,027 fans. The game marked the Orange's 25th anniversary celebration of the Dome, which opened on Sept. 20, 1980.

Virginia started its game-winning drive on its own 41-yard line with 6:25 left in the game. Cavaliers quarterback Marques Hagans scrambled for 26-yards down to the SU 29-yard line. After grinding the ball down into the red zone, the Cavaliers were forced into a fourth-and-inches situation. Peerman pounded the ball up the middle on fourth down, getting UVA inside the 10-yard line for a first down with less than a minute left in the game. After two more rushes, the Cavaliers called timeout to set up the game-winning kick by Connor Hughes.

In the opening quarter, senior **Damien Rhodes** broke loose for a 22-yard gain up the left sideline. Junior **Perry Patterson** then dropped back to pass on third-and-seven, and then scrambled to the end zone to give SU a 7-0 lead with 11:39 left in the first quarter.

On the ensuing Cavalier drive, Peerman got the ball at the one-yard line and was hit at the line, but a second effort put him to cross the goal line, tying the game at seven.

In the second quarter, UVA's Tom Santi came down with a 24-yard pass play, giving UVA a first-and-goal on the eight-yard line. On third-and-goal, Hagans found Peerman in the end zone for his second score of the day to give UVA a 14-7 lead with 7:36 left before intermission.

On Virginia's first possession of the third quarter, Hughes kicked a 26-yard field goal to give Virginia a 17-7 lead.

SU quickly responded, as Patterson faked a handoff to Rhodes and rolled out to his right, finding tight end **Joe Kowalewski** all alone for a 31-yard touchdown cutting the deficit to 17-14.

On the ensuing drive, Virginia stretched its lead back to 10 when Michael Johnson took a handoff for a 70-yard touchdown run, putting Virginia back up 24-14.

After trading punts, SU took over at its own 20-yard line. Following a long drive, Patterson rolled out to his left and found a clear path to the end zone, cutting the Cavaliers lead to 24-21 with 13:17 left in the game.

After a UVA punt, SU scored again on a John Barker 27-yard field goal, the first of his career, to tie the game 24-24 and setting up UVA's game-winning drive.

SU's defense recorded three interceptions, by **Steve Gregory**, **Dowayne Davis** and **Ryan LaCasse**.

The Orange lost to #6/7 Florida State, 38-14, before 83,717 fans at Bobby Bowden Field at Doak Campbell Stadium. The crowd was the largest to watch an SU game since 107,725 watched SU play at Tennessee in 2001, and is the 12th-largest ever to see the Orange play football.

Late in the first quarter, FSU quarterback Drew Weatherford threw down the field, and Orange cornerback **Steve Gregory** dove to try to intercept the throw. The seven points were the first Florida State allowed in the second half all season.

FSU scored back-to-back touchdowns to increase the lead to 38-7 before Patterson found wide receiver **Nick Chestnut** for his first career-catch and touchdown to make the score 38-14.

On Nov. 23 Syracuse travelled to Rochester for its first intercollegiate football game. Wearing pink and blue uniforms, SU lost 36-0 to finish the year 0-1.

1890
Orange was adopted as the school color and Syracuse athletic teams are henceforth known as "Orange" or "Orangemen". SU defeats Rochester 4-0 in the season opener for its first football victory, en route to an 8-3 record. Bobby Winston became the program's first head coach.

1891
Stephen Crane, author of the Civil War classic, "Red Badge of Courage," was a member of the SU squad that finished 4-7.

1892
The only season in SU football history with no wins, when at least two games were played. The Orange went 0-8-1 under coach Jordan C. Wells.

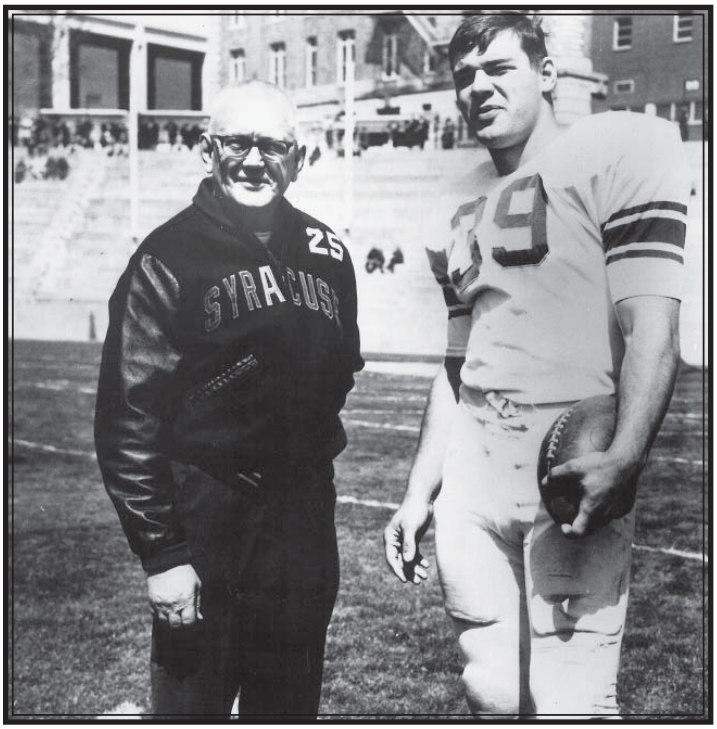
1893
Without a coach, the Orange finished the season with a 4-9-1 record with wins against Syracuse High School, Hamilton, Onondaga Academy and Cazenovia.

1894
In his only season as SU's head coach, George H. Bond led the Orange to a 6-5 record.

1895
The Orange secured its first real home field as SU went from playing in parks throughout the city of Syracuse to playing at The Oval, which was a space located behind the Hall of Languages. The Orange recorded its first victory against rival Colgate, by an unusual score of 4-0.

1896
The Orange played its first opponent from outside of New York State, losing to Williams (Mass.) College, 24-6.

1897
The Colgate "Hoodoo" was born when a newspaper reporter sympathetic to the Red Raiders' cause tackled an SU player who was on his way to scoring the winning touchdown. The game ended in a 6-6 tie.



Ben Schwartzwalder, who led Syracuse to the 1959 national championship, coached legendary backs Jim Brown, Ernie Davis, Jim Nance, Floyd Little and Larry Csonka (above).

The Associated Press writers' poll was introduced in 1936. The poll ranked the top 20 teams in the nation until 1961, when it was revamped to include just the top 10 teams. The top 20 format returned in 1968 and was expanded to include the top 25 in 1989.

The coaches' poll was a service of United Press International from 1950 to 1990. The poll ranked the top 20 teams in the nation until 1990, when it was converted to a top 25 format. From 1991 to 1996, the coaches' poll has been run by USA Today/CNN, which formerly had its own writers'/ broadcasters' poll. In 1997, USA Today joined with ESPN to sponsor the coaches poll.

SUCCESS STORIES

THE LEGEND OF 44

Like tailbacks at USC, quarterbacks at Brigham Young and linebackers at Penn State, the running back position at Syracuse has a rich tradition of greatness. Much of that greatness has revolved around one jersey number — 44. Number 44 at Syracuse University is one of the most storied numbers ever associated with a college football program.

On November 12, 2005, the number was retired. It is permanently displayed in the Carrier Dome, honoring the legends who have worn it for the Orange.

Since 1954, 11 players have worn the number and three earned All-America honors. Those three — Jim Brown, Ernie Davis and Floyd Little — certainly rank among the finest running backs to ever play the game.

Brown, who played at SU from 1954-56 and led the team to a Cotton Bowl berth, went on to become the NFL's all-time leading rusher and a member of the Pro and College Football Halls of Fame. He led the league in rushing eight times in his nine years. Many still point to him as the greatest running back of all time. Among Brown's accomplishments at Syracuse was setting an NCAA single-game record of 43 points against Colgate in a 61-6 SU win.

Davis played for the Orange from 1959-61. He won the 1961 Heisman Trophy, becoming the first African-American to do so, and was a starter on SU's 1959 national championship team. Davis also signed to play with the Cleveland Browns, but the devastating combination of Davis and Brown in the same backfield never came to pass. Davis died of leukemia in 1963. He was later inducted into the College Football Hall of Fame.

Little was a three-time All-America selection for the Orange. Little played for SU from 1964-66 and led the team to the Sugar Bowl in 1964 and the Gator Bowl in 1966 (teaming in the backfield with Larry Csonka in the latter). Little was the greatest kick returner in Orange history.

In addition to breaking the records of Brown and Davis, he led the nation in all-purpose yardage in 1965, averaging 199 yards per game. Little went on to have a tremendous career with the Denver Broncos, winning back-to-back rushing titles in 1970-71. He, too, was inducted into the College Football Hall of Fame.

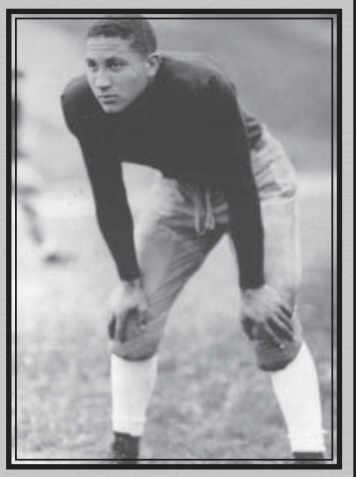
WILMETH SIDAT-SINGH



One of the greatest student-athletes in Syracuse University history, Wilmeth Sidat-Singh '39 was also an individual of extraordinary courage. Sidat-Singh starred for the Orange football and basketball squads, despite being subjected to racial bias. After earning his degree in zoology from SU, Sidat-Singh played professional basketball. The NFL ban on African-American players eliminated pro football as an option.

The University honored the memory of Sidat-Singh by retiring Singh's #19 basketball jersey in 2005.

In 1943, Sidat-Singh passed the entrance exam for the U.S. Army Air Corps and was assigned to the segregated armed forces' only pilots training program for African Americans: the Tuskegee Airmen. Just days after earning his pilot's wings, Sidat-Singh was on a training mission, when the engine of his P-40 failed, forcing him to parachute into Lake Huron. His body was found a week later. First Lieutenant Wilmeth Sidat-Singh, U.S. Army Air Corps, is buried at Arlington National Cemetery.

"Wilmeth Sidat-Singh was a pioneer in everything that he did," Martin said. "He was a remarkable individual, a two-sport star and an outstanding student. Until now, his story has only been known to a few."

An All-New York City basketball player at DeWitt Clinton High School, Sidat-Singh led his Bronx team to the Public School Athletic League (PSAL) city championship in 1933-34. Despite his talent and credentials, Syracuse University was the only school to offer him a scholarship. At SU, the six-foot, 190-pound Sidat-Singh led the Orange to three straight winning seasons.

A hero and leader on campus, Sidat-Singh also joined the football team in his sophomore year after assistant coach Roy Simmons Sr. spotted him throwing a 55-yard pass, flat-footed, in an intramural game. He was subject to the indignities plaguing many African-Americans when the Orange traveled to southern states to play. Officials from some of the schools SU traveled to play prevented Sidat-Singh from playing, citing segregation laws. He was banned from the 1937 game at Maryland, which the Orange lost 13-0. One year later, when the teams met in Archbold Stadium, Sidat-Singh helped SU to a 53-0 triumph against the Terrapins. He played halfback in Syracuse's single-wing offense, a position similar to today's quarterback.

In an article for The Syracusan magazine, Don Hallock '38 described the pre-med zoology major as "an omnivorous reader…more interested in a sheepskin than a pigskin."

Sidat-Singh's Syracuse football teammates included Hugh "Duffy" Daugherty '39, the storied head coach at Michigan State, and Marty Glickman '39, the radio voice of New York City sports for half a century. In 1938, legendary sportswriter Grantland Rice came to Syracuse to scout Rose Bowl-bound Cornell. After watching Sidat-Singh engineer a stunning 19-17 upset for Syracuse — including six passes for 150 yards and 3 touchdowns in the final 9 minutes — Rice ranked Sidat-Singh with Sid Luckman and Sammy Baugh, the greatest throwing arms of the era.

After graduation, Sidat-Singh played with the Syracuse Reds, one of the few racially integrated professional basketball teams of the barnstorming era. On December 1, 1939, the Reds defeated the Original Celtics 40-37 in Watertown, New York. Sidat-Singh scored 14. A year later, he joined the Harlem Renaissance (or "Rens"), the most famous of the African American barnstorming teams.

Sidat-Singh was born Wilmeth Webb, the son of Elias Webb, a Washington pharmacist, and Pauline Webb. Both of his parents were African Americans. Elias Webb died when Wilmeth was a child. Pauline Webb then married Dr. Samuel Sidat-Singh, then a medical student who had come to the United States to study at Howard University. Dr. Sidat-Singh adopted Wilmeth and moved the family to West 135th Street in Harlem, where he practiced family medicine for many years.

THE LEGEND OF ARCHBOLD STADIUM

Upon its completion in 1907, Archbold Stadium was touted as the "Greatest Athletic Arena in America." Designed to resemble the Roman Coliseum and to never become outdated, Archbold Stadium was a trademark of Syracuse Orange football.

"Athletic contests may come and go but the recently completed concrete stadium at Syracuse University will endure forever," stated Dr. Charles Burrows of Technical World Magazine upon viewing Archbold Stadium in 1909.

From 1907 until 1978 the Orange battled for victory inside the walls of Archbold Stadium. It served as the site for many thrilling Orange victories, numerous record-breaking performances, and even a few heart-breaking defeats. But the history of this legendary stadium begins with the vision of generosity of a single man.

John D. Archbold's gift of $600,000 to the university in 1905 made stadium construction a reality. Archbold was the vice president of Standard Oil and the president of SU's Board of Trustees from 1892 until his death in 1916. The stadium bared his name.

Construction of the stadium began in September of 1906 and was completed only ten months later. A natural hollow on the west side of the SU campus provided the perfect site (the Carrier Dome currently occupies this area). Archbold Stadium was situated at a great height, which granted fans of that day a clear view of downtown Syracuse, Onondaga Lake and the beautiful Onondaga Valley.

The stadium's front entrance defined the character of Archbold. Located on the west end, the main entrance consisted of an impressive 40-foot cement arch and two epic towers, which extended high above the archway. On the north side of the stadium, Archbold's bowl-like design enabled fans to arrive in horse-drawn carriages and enter directly at the promenade level.

Upon its completion, critics believed the stadium was impractical and argued that it would never be filled. Originally designed to accommodate a crowd of 20,000, Archbold rarely reached capacity in its initial years. But, twice that number squeezed into the stadium in the 1950s and 1960s. In the end more than six million fans attended the classic stadium to watch football, and past critics were silenced.

In addition to providing the university and its fans with an aesthetically beautiful stadium, Archbold granted the Orange football team a distinct home field advantage. The Orange went 265-112-20 all-time at Archbold. From 1915 to 1927, Syracuse achieved a home record of 61-10-6. Then, during the 11-year stretch from 1958-1968, SU won 47 and lost only 6 games played at Archbold.

For 71 years Archbold Stadium treated fans to the best that collegiate football had to offer. It began in 1907 with the 'sound drubbing' of Hobart, 28-0. It ended in 1978 with an improbable victory over nationally-ranked Navy, 20-17.

In the final game played at Archbold Stadium, it was a freshman named Joe Morris who stole the show. Facing a tough Navy defense, Morris carried the ball 31 times for 203 yards. Morris helped the Orange upset the second-ranked Navy, 20-17. And more importantly, the Orange sent Archbold Stadium out in style.

THE ROAD TO CANTON IS ORANGE

Forty-three points in one game, 25 career touchdowns, 2,167 total offensive yards. Those are only his college football statistics. Jim Brown is without question the finest athlete ever to compete for Syracuse University. Brown did not just play football — he lettered in track and basketball and was a lacrosse All-American, too.

Brown excelled off the fields as well. He trained with the R.O.T.C., served as a Class Marshall for the College of Liberal Arts and visited elementary schools. A class assignment asked youngsters to write about whom they admired most; one-third of the class chose President Eisenhower and two-thirds chose #44, Jim Brown.

Brown was the original #44, and set the precedent of success for the #44's to follow. Brown's record of 43 points in a game was untouched for 34 years. Brown led the nation in rushing with a 6.2 yard average in 1956 and led SU to the Cotton Bowl. Brown scored three touchdowns, kicked the ensuing PATs and was named the 1956 Cotton Bowl outstanding back.

His success at Syracuse led to Brown's 1995 induction into the College Football Hall of Fame — 38 years after graduating. Selection to the College Football Hall is special. Brown has won many other football and collegiate awards, but the College Football Hall was almost elusive. Brown made his entrance to Canton in 1971, his first year of eligibility, and to the Lacrosse Hall of Fame in 1984. He is the only man in all three Halls of Fame. In 1982, he won the NCAA Silver Anniversary Award, given to former student-athletes who have made significant contributions to the community.

Not until 1995 was Brown chosen to join Larry Csonka as the only Orange in both the College and Pro Football halls. Only 63 players, and just five fullbacks, are in both halls. There are 11 other Orange representatives in the College Hall in South Bend, Ind., including Ernie Davis, Floyd Little, Tim Green and Coach Ben Schwartzwalder. Brown's latest honor, as described by retired SU Athletics Director Jake Crouthamel, "fills the plate in acknowledging Jim's prowess as an athlete."

Brown is currently working with Amer-I-Can, a nation-wide program he developed that aims to improve the life-management skills of inner city youngsters. Amer-I-Can teaches kids "everything they didn't learn at home or at school."

Defensive tackle Tim Green was named an All-American for the second consecutive year and became the 17th overall selection in the 1986 NFL Draft by the Atlanta Falcons. Green was inducted into the College Football Hall of Fame in 2001.

SCHWARTZWALDER TROPHY

The winner of the annual Syracuse-West Virginia football game receives the Ben Schwartzwalder Trophy. Schwartzwalder coached Syracuse and was a graduate of West Virginia. In 2001 the Orange beat the Mountaineers, 24-13, in Syracuse and kept the trophy for three years in a row before WVU was victorious in 2002. Syracuse has displayed the trophy in its showcases for six of the 13 years.

1986
The Orange won five of the final seven regular season games, setting the stage for the following season's remarkable 11-0 regular season record.

1987
SU finished the regular season with an undefeated 11-0 record and earned a trip to the Sugar Bowl, its first New Year's Day Bowl bid since 1965. Auburn's Win Lyle kicked a last second field goal to pull out a 16-16 tie, the first deadlock in Sugar Bowl history. SU's sensational quarterback Don McPherson finished second in the Heisman race, but earned several other player of the year and All-America honors. In addition, nose guard Ted Gregory was named an All-American and was the 26th overall selection in the 1988 NFL Draft by the Denver Broncos.

1988
SU put together consecutive double-figure win seasons for the first time ever, climaxing a 10-2 season with a 23-10 victory against LSU in the Hall of Fame Bowl on New Year's Day. Defensive back Markus Paul was selected as an All-American, marking the second of six consecutive years the Orange was represented in this elite group.

1989
Syracuse football observed its 100th birthday and earned a record third-straight bowl invite. This time the Orange hit a last minute field goal, by John Biskup, to edge Georgia, 19-18, in the Peach Bowl and cap off an 8-4 season. Center John Flannery and wide receiver Rob Moore earned All-America honors. Moore entered his name in the 1990 NFL supplemental draft and was the first player selected by the New York Jets.

1990
The Orange finished the regular season with a 7-4-2 record and an invitation to the Aloha Bowl in Honolulu. SU put the finishing touches on its fourth-straight bowl by shutting out Arizona, 28-0, behind freshman quarterback Marvin Graves. The Wildcats had not been shut out in 20 seasons (214 games), the second longest streak in NCAA history. Center John Flannery was named an All-American for the second year in a row.

1991
Paul Pasqualoni replaced Dick MacPherson as head coach and SU joined The BIG EAST Football Conference. Pasqualoni led the Orange to a 10-2 record, a perfect 5-0 Big East record, and a 24-17 win against Ohio State in the Hall of Fame Bowl on New Year's Day. The 10 wins for a rookie coach has been surpassed just five times in the history of major college football. Qadry Ismail became SU's first-ever All-American in the kick return position.

1992
Pasqualoni and the Orange again won 10 games and made SU's second straight New Year's Day bowl appearance, knocking off Colorado, 26-22, at the Fiesta Bowl in Tempe. It was the fifth-straight bowl win for Syracuse, the second-best streak in the country behind Florida State. SU's thrilling 16-10 loss to Miami in the Carrier Dome served notice that there was more than one major power in The BIG EAST Football Conference. Tight end Chris Gedney was a unanimous All-America selection.

1993
Another year, another winning season as the Orange finished with a 6-4-1 overall record for its seventh straight winning season. Breaking records was a regular occurrence during the campaign. Marvin Graves set new marks in almost every passing and total offensive category, while Shelby Hill, Pat O'Neill and Kevin Mitchell also left their names in the SU record books.

1994
In keeping with the tone in the recent past, the Orange recorded an eighth straight winning season, finishing 7-4 overall. The passing combination of Kevin Mason to Marvin Harrison was prominent throughout the year, while the return of linebacker Dan Conley for a sixth season of competition after numerous knee surgeries was a story of perseverance and dedication.

1995
A young SU team posted a 9-3 season and a victory in the Toyota Gator Bowl. The emergence of Donovan McNabb from a crowded young quarterback battle and his immediate chemistry with receiver Marvin Harrison provided thrills and records, as Harrison established himself as one of the all-time great receivers and kick returners at Syracuse, earning All-America honors as a kick returner. The receiver was the 19th overall player selected in the 1996 NFL Draft, taken by the Indianapolis Colts. Defensively, cornerback Kevin Abrams was an All-American.

1996
Despite getting off to an 0-2 start, the Orange won a share of The BIG EAST Conference title and once again was among the nation's elite. A mid-season eight game win streak earned the Orange another post-season berth. Syracuse beat Houston in the Liberty Bowl for its seventh-consecutive bowl victory, which was the nation's longest active bowl win streak at the time. Cornerback Kevin Abrams earned All-America honors for the second year in a row.

1997
Syracuse won its first-ever outright BIG EAST conference championship, clinched by a triumphant 33-18 victory at Miami. After opening the season wiht a 34-0 victory against Wisconsin in the Kickoff Classic, the Orange lost three straight games. SU then defeated Tulane to ignite an eight game winning streak that included the first-ever overtime game in school history against North Carolina State. A 35-18 loss to Kansas State in the Fiesta Bowl did not detract from the fact that the Orange was one of six teams to earn a Bowl Alliance bid. Free safety Donovin Darius was an All-America selection.

1998
SU started the season hosting eventual national champion Tennessee. After a 34-33 loss, the Orange defeated defending national champion Michigan in Ann Arbor the following week, 38-28. From there, SU went 7-3, winning its second outright BIG EAST title, and third in a row. SU earned a Bowl Alliance bid, facing Florida in the Orange Bowl. Donovan McNabb was selected with the second overall pick by the Philadelphia Eagles in the 1999 NFL Draft, the highest ever spot for an SU quarterback. Kick returner Kevin Johnson earned All-America honors.

1999
Syracuse earned a bowl invitation for the fifth straight year and the 11th time in the last 13 years. The Orange posted a 7-5 record in the final season of the millennium. The Orange kicked it off with two victories and closed the century with a 20-13 victory against Kentucky in the Music City Bowl. Linebacker Keith Bulluck was selected in the first round (30th overall pick) by the Tennessee Titans in the 2000 NFL Draft.

2000
Syracuse ran its streak of winning seasons to 14 with a 6-5 record. Cornerback Will Allen was the 22nd overall pick in the first round of the 2001 NFL Draft and is still a starter for the New York Giants.

2001
Syracuse continued its streak of winning seasons with its 15th in a row with a 10-3 record. SU was one of just four schools that could make the claim. SU beat Kansas State in the Insight.com Bowl for its 12th bowl win. Consensus All-American Dwight Freeney was selected in the first round of the NFL Draft, marking the fifth year in a row that an SU player heard his name in the opening round.

2002
Syracuse played in a school-record two triple overtime games, losing at Auburn and winning in the Carrier Dome against No. 8 Virginia Tech. Quarterback Troy Nunes concluded his SU career ranked in the top five on 10 different school record lists, while linebacker Clifton Smith and punter Mike Shafer etched their names among SU's record-holders, as well. In November, former standout quarterback Donovan McNabb was named to SU's Board of Trustees.

2003
Tailback Walter Reyes established the SU single-season records for rushing touchdowns (21) and total touchdowns (22) and the Syracuse career mark for rushing touchdowns (38) – as a junior. Wide receiver Johnnie Morant, defensive tackle Christian Ferrara, and offensive tackle Kevin Sampson entered the fraternity of Orange players selected in the National Football League Draft. Head coach Paul Pasqualoni moved into the second spot on SU's career wins record list with 101.

2004
Running back Walter Reyes concluded his Orange career as SU's second all-time leading rusher with 3,424 yards. Syracuse finished the season as BIG EAST co-champions, the program's fourth league title, after a regular-season ending win at #17 Boston College. The Orange lost to Georgia Tech, 51-14, in the Champs Sports Bowl. Offensive Adam Terry was chosen by the Baltimore Ravens in the second round of the 2005 National Football League Draft.

2005
First-year Orange head coach Greg Robinson, who also serves as the defensive coordinator, made an immediate impact on the Syracuse unit. The pass defense jumped 69 spots in the NCAA statistical rankings from 2004 (90th to 21st), while the total defense improved from 101st in 2004 to 57th in 2005. Free safety Anthony Smith led a group of four seniors who were selected in the 2006 NFL Draft when he was chosen in the third round by the defending Super Bowl Champion Pittsburgh Steelers. Offensive tackle Quinn Ojinnaka (Atlanta Falcons), defensive end James Wyche (Jacksonville Jaguars) and defensive end Ryan LaCasse (Baltimore Ravens) were selected in the draft.

SYRACUSE'S ALL-CENTURY TEAM

Syracuse University's All-Century team features a Heisman Trophy winner, four College Hall of Famers, and four members of the National Football Foundation Hall of Fame.

"The number of players chosen was based on SU's fabled Number 44. That number was worn by the great running backs from the glory days of the mid-1950's to the mid 1960's, that included Hall of Famer Jim Brown, Heisman Trophy winner Ernie Davis and three-time All-American Floyd Little," said SU Director of Athletics Jake Crouthamel. "It is the most famous number in Syracuse sports history."

The All-Century Team includes players from eight different decades, including several contemporary Syracuse standouts now showcasing their talents in the NFL. Donovan McNabb, Kevin Johnson, and Donovin Darius are just part of a list that also includes Rob Burnett and Qadry Ismail, members of the Super Bowl XXXV Champion Baltimore Ravens.

"Being selected to this elite team typifies the tremendous success that SU football has achieved throughout the 20th century. Some of these athletes are among the greatest to ever play college football. It was an honor for us to recognize their talents and contributions at our final home game of the century," Crouthamel said.

Members of the All-Century Team were honored at the November 6, 1999 game against Temple.

SUCCESS STORIES

THE SOLADAY AWARD

It is fitting that the Soladay Award is the most prestigious award given to a student-athlete by the Department of Athletics. After all, Doris R. Soladay epitomized all of the positives in intercollegiate athletics. The Soladay Award is given annually to the top male and female student-athletes who best exemplify the essence of Doris.

From her appointment as the first, and only, Director of Women's Athletics at Syracuse University in 1975 until the day she retired as Associate Director of Athletics on May 31, 1995, Doris dedicated herself to student-athletes wearing the Orange of SU. The SU Department of Athletics and the world of intercollegiate sports lost a dear friend when Doris passed away in May, 2001.

Kyle Johnson (football) and Libby Graves (rowing), pictured with SU Director of Athletics emeritus Jake Crouthamel, won the 2002 Soladay Awards. The honor is the highest bestowed upon a student-athlete by the athletics department.

Doris established scholarships for women, while increasing the budgets to run the programs. She worked with the late Chancellor Eggers and others who supported women's athletics to begin Orange Plus. Throughout her career, Doris made it a point to attend every home athletic contest of every Syracuse team whenever possible. She often cheered on one team in the morning, another in the afternoon and a third in the evening.

Her impact on athletics reaches far beyond "The Hill," however. Prior to the NCAA taking women's athletics into its fold, Doris held offices on numerous committees in the AIAW (Association for Intercollegiate Athletics for Women) on the state, regional and national levels. After the merger Doris directed her energy into the NCAA Council, serving from 1989 through 1995.

Doris was also influential regionally where she was an integral part of the expansion of The BIG EAST Conference to include women's athletics, as well as chairing various committees in the league. The ECAC also benefitted from her knowledge and savvy, where she was a member of the ECAC Women's Steering Committee from 1983-87. For her many outstanding contributions, the ECAC honored Doris with the 1995 Katherine Ley Award, presented annually to a women's athletics administrator who serves as a role model for her colleagues, as well as a strong proponent of women's issues.

It is no secret that since her retirement her presence in the corridors of Manley Field House has been missed, but it is clear that her legacy will remain a part of the Orange forever.

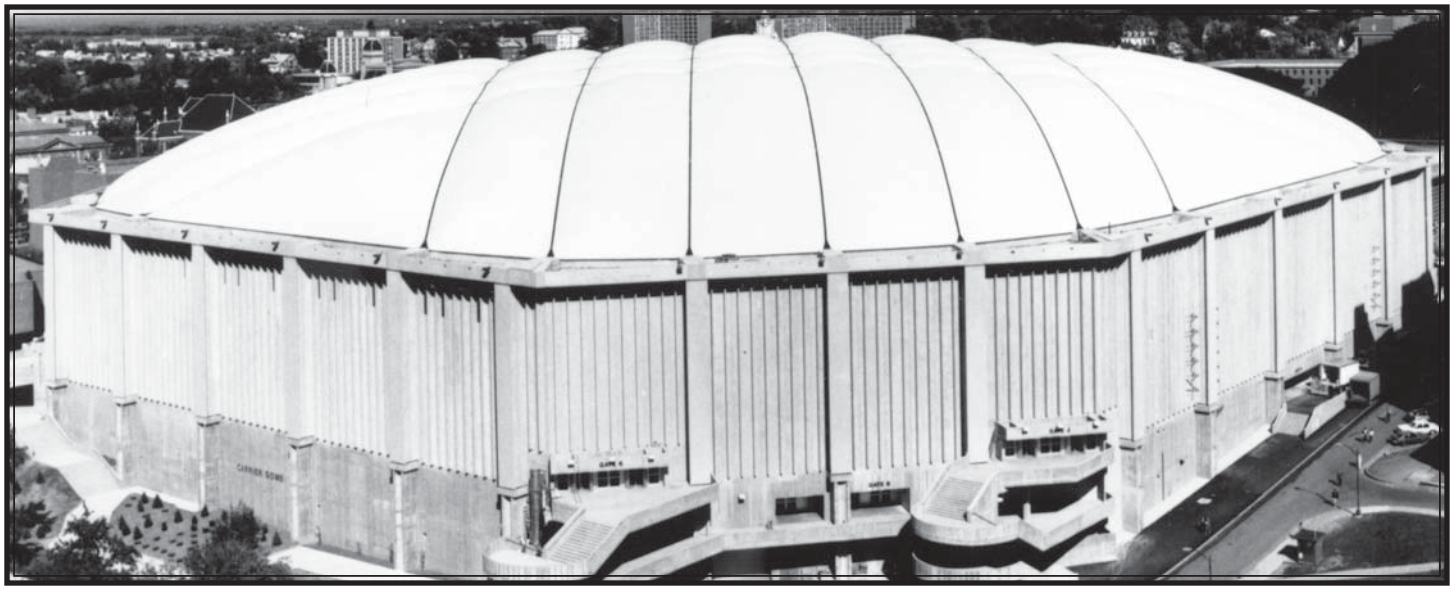
THE CARRIER DOME: THE LOUD HOUSE



The Carrier Dome is the largest on-campus indoor arena in the United States.

Background

The Carrier Dome is a 49,262-seat sports stadium located on the campus of Syracuse University. Since its opening on September 20, 1980, the facility has hosted a wide variety of events. The facility serves as the home of the SU Orange in football, men's basketball, and men's and women's lacrosse. Furthermore, the Dome has hosted numerous rounds of NCAA and BIG EAST championships in basketball, lacrosse and track and field; hosts regional and state scholastic competitions in football, soccer and field hockey; and scheduled NBA pre-season games.

In addition to sporting events, the Dome has staged Olympic ice skating shows, as well as concerts by stars such as Frank Sinatra, Billy Joel, Rod Stewart, U2, Genesis, the Rolling Stones, Garth Brooks, The Who, Pink Floyd and many other rock and country performers. SU's annual Commencement ceremony and various academic convocations take place in the Dome. The Billy Graham Crusade visited Syracuse and the Carrier Dome in 1989. Moreover, the annual celebration honoring the life of Martin Luther King Jr. is hosted in the Dome every January.

Design and Construction

The Carrier Dome was constructed between April 1979 and September 1980. Total construction cost was $26.85 million, including a $2.75 million naming gift from Carrier Corporation. Hueber, Hunt and Nichols, Inc. was the general contractor and Birdair Structure Inc. out of Buffalo was in charge of roof construction. In all, more than 80 companies contributed to transforming thirty thousand cubic yards of concrete and 880 tons of steel into the fifth largest domed stadium in the US and the first in the Northeast.

Dimensions

The Carrier Dome covers 7.7 acres and has 527,320 square feet of floor space. It is 570 feet long and 497 feet wide, and the top of the Dome is 160 feet above the playing surface.

Roof

The Dome roof, which was replaced during the summer of 1999 after 19 years of service from the original cover, weighs 220 tons. It is constructed of 287,000 square feet of Teflon-coated Fiberglass fabric and 14 three-inch-thick steel bridge cables. Sixteen five-foot diameter fans, located in special fan rooms on sideline walls, provide the air pressure to keep the roof inflated. When necessary, the fans circulate air heated to 160 degrees Fahrenheit to melt snow on contact with the roof.

Video Boards

During the summer of 2003 two Daktronics LED video boards were installed in the Dome. The cost of the project was in excess of $1 million dollars, in addition to significant annual operating costs. The boards feature Daktronics' Prostar VideoPlus LED (light emitting diode) video display technology. The video system can display live video, instant replay, graphics, animation, player statistics, and out-of-town scores in trillions of shades of color.

The Ernie Davis Room

An athletics department display area is located in the Ernie Davis Room, named for the 1961 winner of the Heisman Trophy. It is changed each season to highlight achievements for each Syracuse University sport.

Floor Surface

The Orange football team plays on a 2.5" thick FieldTurf Pro series brand artificial surface that was installed prior to the 2005 season. FieldTurf is a synthetic grass surface manufactured with soft, polyethylene fibers surrounded and stabilized by a blend of "synthetic earth" that is a mixture of smooth, rounded silica sand and rubber granules. For events that require the FieldTurf to be covered, including men's basketball, a BRAVO Mat hard field cover product is used. The BRAVO Mat System, from Composite Mat Solutions, consists of lightweight, easy-to-handle, interlocking, thermoplastic panels that, when assembled, provide a uniformly smooth field protection system. For basketball, a 60' by 120' portable court made of northern hard maple is set-up on the BRAVO Mat floor. The playing surface for the first 25 years in the Dome was Astroturf.

Seating

The full Dome seats 18,404 on the lower level, 5,901 on the mezzanine, and 24,142 on the upper level. Thirty-eight private boxes provide another 912 seats, for a total seating capacity of 49,262. Seating capacity for basketball is 33,000 and for concerts about 40,000, including as many as 7,000 temporary seats on the floor. Seating for the disabled is available at all Dome events.

Meeting Space and Other Facilities

The Carrier Dome's only meeting space is the Orange Pack Room located on the east end of the first-level concourse. Approximately 4,400 square feet of meeting space is available and can be divided into three separate rooms. The Carrier Dome has 14 entranceways, consisting of 32 revolving doors and 62 pressure-balanced doors. In addition to the Orange Pack Room, often used for meetings, luncheons, and dinners, there are 14 concession stands, 16 rest rooms, 16 water fountains, 16 public telephones, and a first-aid room. Facilities not open to the public include five locker rooms and an extensive media operations facility, which seats more than 125 writers. Radio, television, and dark room facilities are also available to the media.

ORANGE IN PROFESSIONAL FOOTBALL

This list was compiled from several sources, including the Encyclopedia of Football; 2006 SU draftees/first-time free agent signings are not included (see draft list). Compilation of players in CFL was assisted by Jay Langhammer, Dallas, TX.

Players on current NFL or CFL rosters are listed in CAPS. The list is as of June 1, 2006. The years listed indicate calendar year, not NFL year.

The year listed with Super Bowls indicates NFL season.

Dr. Daryl GROSS

ATLETICS DIRECTOR

"Whenever I hear the name Syracuse University, I think of greatness. It has a phenomenal history. Every Syracuse team will have the opportunity to win and graduate its student-athletes. We will work to meet our expectations with energy and enthusiasm. The coaching staffs will guide and mentor our student-athletes with the tools necessary for success."

His vision to ensure that Syracuse, year in and year out, is recognized as one of the great athletic institutions in the country, is what drives Director of Athletics Dr. Daryl Gross. His mission for SU Athletics is to compete and perform at the highest level in everything – on the playing field, in the classroom, with facilities, and in the community. The principles he believes in include winning championships, graduating all of the student-athletes, maintaining compliance to all NCAA rules and being fiscally sound. A 14-year athletics administration veteran, Gross understands the proud name and great athletics tradition of Syracuse University.

"Whenever I hear the name Syracuse University, I think of greatness," Gross says. "It has a phenomenal history. Every team will have the opportunity to win and graduate its student-athletes. We will work to meet our expectations with energy and enthusiasm. The coaching staffs will guide and mentor our student-athletes with the tools necessary for success."

In addition to his day-to-day duties as the Director of Athletics managing the department, Gross works directly with football, men's and women's basketball, volleyball and tennis, as well as other sport programs directly and indirectly.

During his 14 years in athletic administration at the University of Southern California, Gross savored the sweet flavor of success: The Trojans won 16 national and more than 30 Pac-10 championships, fielded 145 Olympians, and finished almost every year in the top 10 of the Sears Directors' Cup all-sports rankings. During the last three seasons Gross was a member of the USC administration, the university's signature program, football, dressed two Heisman Trophy winners and won two national championships.

Gross has prepared himself to become an athletics director. At USC, he directed coaching searches and contract discussions, served as the department's media spokesman, led marketing and corporate sponsorship efforts, negotiated television contracts, developed and contracted football and men's basketball schedules, jointly directed student-athlete academic services, and directly supervised 10 of the University's 19 intercollegiate sports programs, among other responsibilities.

"Daryl embodies exactly the qualities we are looking for," said SU Chancellor Nancy Cantor introducing Gross as SU's ninth Director of Athletics. "He has shown a depth of experience and leadership at USC and—in obtaining both his master's and doctorate—a great appreciation and understanding of academics. This speaks well of his ability to lead a top-notch athletics program and work closely with academic partners in the institution.

Among Gross' most important duties at USC was identifying top coaching talent. In 2001, Gross led the effort to sign longtime NFL coach Pete Carroll, who is now 54-10 with two national championships, with five bowl appearances in five years as head of the USC football program. Gross' searches have also produced women's volleyball coach Mick Haley, track and field coach Ron Allice, and men's and women's water polo coach Jovan Vavic, all of whom, like Carroll, have won national championships and been named national coach of the year.

"I look for coaches who are the best in the business," Gross says. "The first thing I look for is how great are they at teaching their subject matter. The most critical attribute for a coach is to be a great educator. It's so important."

Gross holds both a master's degree and Ph.D. in educational psychology from USC, as well as a bachelor's degree in psychology from the University of California at Davis, where he was a football wide receiver from 1979 to 1981, catching passes from future New York Jets quarterback (and later USC football assistant coach) Ken O'Brien.

From 1982 to 1985, he was on the UC Davis football coaching staff; in 1985, the Aggies were the nation's No. 1 Division II team. He also was the assistant men's tennis coach.

In 1986 and 1987, Gross was a grad assistant at USC, working with quarterbacks and wide receivers. From 1989 to 1991, he was a personnel scout for the New York Jets.

Gross joined USC's athletic administration as an assistant athletic director in 1991, overseeing five sports teams as well as the athletic training room and the student-athlete insurance program. He also directed searches for the hiring of coaches; was the drug-testing coordinator and drug awareness and counseling liaison; directed the Degree Achievement and Former Athlete Degree Achievement programs; directed the Professional Sports Advisement Committee; coordinated Amateur Athletic Foundation youth camps; and served as USC's senior administrator at Pac-10 Conference winter meetings.

In 1995, Gross was promoted to associate athletic director. From 1997 to 2000, he also held the post of interim director of Student Athlete Academic Services. In this role Gross restructured all programming related to academic support for student-athletes. He designed and implemented a certified tutorial program, instituted a compliance-oriented system, and hired supervisors and counselors to handle the program's daily operations. He also integrated Student Athlete Academic Services with the campus Learning Skills Center.

Gross was named a senior associate athletic director in 2002. In addition to the aforementioned responsibilities in his role as senior associate athletic director, Gross led USC athletics' corporate sponsorship program to record revenues of more than $4 million in 2004. He headed a football marketing effort that broke the USC attendance record in 2003 and in 2004.

Gross also assisted in the undertaking of the biggest building program in the history of USC athletics, including a new track stadium; expansion of the tennis stadium and the football practice field; a new women's soccer field; and construction of the $70 million Galen Center, which became home to the USC men's and women's basketball and volleyball programs in 2006.

A native of Los Angeles, Calif., Gross has two daughters, Jamie and Jolie.

State-of-the-Art – STRENGTH AND CONDITIONING FACILITY

The multi-million dollar, 11,200 square-foot strength and conditioning training facility opened in November, 2005. The addition to the Iocolano-Petty Football Complex is built off the existing football training room. The lower level of the complex is dedicated to free weights and weight machines, while the balcony level is used for aerobic equipment.

"This facility is part of our SU Athletics Tomorrow plan which is designed to put Syracuse Athletics on the forefront of student-athlete facilities for the nation. We have to provide the best for our student-athletes to assist all of our program's in the effort to compete on the national level. We are thrilled that Donovan (McNabb) remains involved with the football program and that he has stepped forward with a major gift for this project."

Forever-more a Syracuse University student-athlete from football or lacrosse will be awarded the Jim Brown Athletics Scholarship.

Robert G. Burton Endowed Football Scholarship

Robert G. Burton, a business leader, philanthropist and a former college and professional football player, realizes the impact of education while striving for success. He received a master's degree in business from the University of Tennessee. Bob was drafted by the San Francisco 49ers and played with the Buffalo Bills before injuries cut his career short.

Bob and his wife, Paula, established the Robert G. Burton Endowed Football Scholarship, which will be awarded annually to a School of Management student who is on the football team. Bob's son, Joe, is a 2001 Syracuse graduate who was an offensive guard for the Orange.

Dr. Charles C. Heck Outside Linebacker Scholarship

Top of the Line Facilities –
THE BEST SURFACES

The Carrier Dome surface and four of SU's outdoor facilities feature FieldTurf, while Coyne Field is Astro 12.

"Adding FieldTurf to the Dome and our practice fields is another step in our building a top national athletics program. It helps us significantly in competition and recruiting top student-athletes in many of our sports. It also gives us more flexibility in our practice schedules. All of our current student-athletes benefit from these new fields. We will continue our 'SU Athletics Tomorrow' campaign to have the most competitive facilities in the country."

~ Dr. Daryl Gross, Director of Athletics

"When we all sat down and talked about something in which we could take another step forward and the weight room came up, I jumped right on it. This is something in which we all need to be excited about. Not just because this is a weight room, but this is a building block to where we want to go."

~ Donovan McNabb, former SU standout and current member of the SU Board of Trustees

SUCCESS STORIES

Thomas Pirro Scholarship

The Thomas Pirro Scholarship was established to honor the memories of two men who loved the game of football and is awarded to a football student-athlete recognized by the coaches as the most "coachable" player. Rocco (Rocky) co-captained the Catholic University football team to a bowl game before enjoying a successful professional football career as a player (Pittsburgh Steelers, Buffalo Bills) and coach (Montreal Allouettes, Baltimore Colts). He served as SU's offensive line coach from 1952-73. His son, Tom, played football for the Orange from 1973-77, before earning a Master's degree from Cornell, where he served as a graduate assistant football coach. He had completed a football official training program just before his death at age 34.

William and Norma Rapp Endowed Football Scholarship

The William and Norma Rapp Endowed Football Scholarship was established by Bill and Norma Rapp in 2003 to benefit a football and lacrosse student-athlete. Bill was known as an avid fan and friend of the program before his passing in January, 2005. Bill was a 1939 Newhouse graduate and was a charter member of the Orange Pack, Ernie Davis and Dave Bing Funds. Through the years, Bill gave his support in so many ways to the University, including financially and providing jobs for student-athletes. He credited Jim Brown and Larry Csonka as two of the hardest workers he ever saw. He was the president of the Alumni club and an Ernie Davis Lifetime MVP award winner, and served as president of the Syracuse Chamber of Commerce and Syracuse Auto Dealers Association.

The Floyd "Ben" Schwartzwalder Athletics Scholarship

This scholarship was established by Ben's family in honor of his great career at Syracuse University. He is the winningest coach in Syracuse football history. Ben led the Orange to 153 victories, including the 1959 National Championship. It is fitting that Ben will always be remembered with the awarding of the Floyd "Ben" Schwartzwalder Scholarship.

Joseph G. Szombathy Tight End Scholarship

Joe Szombathy scored Syracuse's only touchdown in the first bowl game in University history – the 1953 Orange Bowl, a 61-6 loss to Alabama. He later returned to his alma mater to serve as an assistant coach for 17 years under Ben Schwartzwalder, including end coach on the staff of the 1959 national championship team. In 1974, Joe became executive director of the Varsity Club of Syracuse University and the Orange Pack. He retired as the Associate Athletic Director for External Relations in 1999.

In 1996, to celebrate Joe's 40th year as an Athletics Department staff member, more than 30 of his former teammates and friends joined together to create the Joseph G. Szombathy Endowed Football Scholarship.

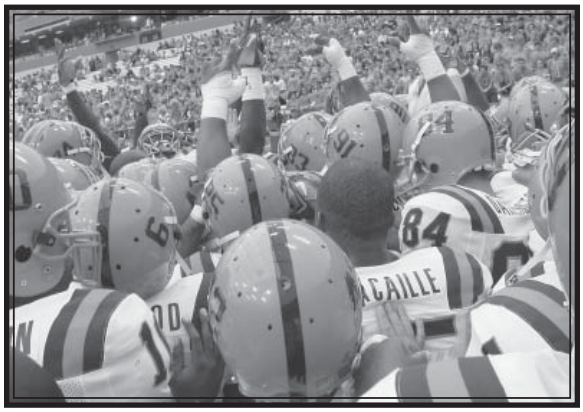
Winning the Right Way – THE SYRACUSE WAY.

The Office of Athletic Compliance (OAC) functions within the scope of the University's compliance program to coordinate, monitor and verify compliance with all NCAA requirements, and to educate the various constituencies of the University and the athletics community regarding NCAA regulations.

The OAC directs the University's compliance efforts and acts as a resource center concerning NCAA regulations and compliance issues. The primary functions of the OAC are to oversee and verify the accurate and timely completion of NCAA-required procedures. In addition, the OAC provides educational programming and interpretive support to ensure that all individuals involved with the athletics program fully understand the University's compliance expectations. It is the responsibility of the OAC to ensure that the demands of the NCAA's and the University's compliance efforts and expectations are properly supported.



Syracuse University is committed and obligated to the principle of institutional control in operating its athletics program in a manner that is consistent with the letter and the spirit of NCAA, conference and University rules and regulations. As the University strives for academic and athletic excellence, we must always seek the highest standard of ethical conduct. Involvement with our athletics program is critical to it's success. However, we must emphasize that any inappropriate or inadvertent activity could jeopardize the eligibility of our current or prospective student-athletes and the university's compliance with NCAA regulations.

In order to establish an environment within this University that is conducive to the NCAA's operating principle of competitive equity, it is critical that everyone associated with the program (from the coaches, staff, student-athletes, and the supporters of the program) establishes personal accountability and integrity in their actions. It is important to recognize that in terms of NCAA rules compliance, everyone must identify their roles and responsibilities and not be afraid to regularly communicate and demonstrate the commitment to rules compliance in their actions.

For the most part, the NCAA is a self-regulatory body which relies on the integrity and accountability of those involved in any way with the program. Win or lose, we must look at our effort as a shared responsibility. In athletics, if one person fails to do his/her part, it can make the difference between winning and losing. When it comes to NCAA rules, it works in much the same way.

If you have any questions regarding NCAA rules and regulations, especially those relating to interactions with prospective and currently enrolled student-athletes, please contact the Office of Athletic Compliance. Don't be afraid to ask! SU's athletics programs want and need your support and cooperation to ensure that SU wins the right way, both on and off the field.

The Milton and Ann Stevenson Educational Wing has expanded during the last five years, allowing for increased attention and support of the needs of the student-athletes. Computer clusters, group meeting rooms, office space and private tutorial rooms are in place to further enhance the support provided by the department. All of the expansions and space are convenient to the living, academic and athletics facilities enjoyed by the student-athlete.

Success in the Classroom – SUPPORTING THE ACADEMIC EFFORT

To support the athletic and academic goals of the student-athletes, the Syracuse Athletics Department has a comprehensive academic services unit, the Office of Student-Athlete Support Services.

The unit is staffed by a director, five full-time advisors, a secretary, seven graduate assistants and a complete tutoring staff devoted specifically to individual academic and personal development.

Stevenson Educational Center Mission Statement

The mission is to provide supplemental academic support for all varsity student-athletes at Syracuse University in a manner which addresses their unique academic needs. Primary academic advising and support is received from the faculty advisor assigned to each student-athete from his or her home college, school or department.

The Stevenson Center will test and diagnose the academic weaknesses of student-athletes and offer developmental support. A tutoring system is one of many options that foster academic success.

Academic programs will be monitored continuously in order to assure that NCAA and University rules and regulations are met and progress is being made toward graduation. The Stevenson Center will act as a liaison between the academic and athletic communities and address any problems which may arise. Transitional and developmental programs will be provided to assist student-athletes in preparation for life after college.

SU Gets Award For Student-Athlete Program

The Syracuse University Department of Athletics earned the 1999 CHAMPS/Life Skills Program of Excellence Award from the Division I-A Athletic Directors' Association. The award honors universities that have dedicated staff, financial resources and creative energies to improve the total college experience for the student-athletes.

Syracuse introduced the CHAMPS/Life Skills program in 1992 when it was created by the NCAA. Its goal is to teach students such skills as financial management, career planning, study techniques and community services, preparing them for life after the final whistle of their athletic careers is blown. The award recognized Syracuse, along with six other universities, as lifetime Programs of Excellence for being one of the nation's most innovative universities committed to the well being of the student-athletes.

The Stevenson Educational Center

The department was selected as a pilot school for the NCAA CHAMPS/LIFE Skills Program. This program at Syracuse is known as the Stevenson Educational Center LIFE Skills (formerly known as ACES). The role of SEC is to provide experiences and opportunities that will help the student-athletes realize their full potential. The key components of the SU LIFE Skills Program are:

- Academic Commitment
- Personal Development Commitment
- Service Commitment
- Career Development Commitment

The program, designed to enhance leadership and citizenship skills, offers opportunities to develop understanding of choice, integrity, accountability, excellence and commitment. The program was created to adapt to the ever-changing needs of the student-athlete during his/her collegiate career and encourages meaningful contributions to the community.

Syracuse Posts Perfect Graduation Rate

Syracuse earned the 2000 American Football Coaches Association Academic Achievement Award for having a 100 percent graduation rate. The Orange has been recognized by the AFCA for 11 of the past 15 years and 15 times in the last 20 years for its exemplary graduation rate.

Athletic Director's Honor Roll

Established in 1995, the Athletic Director's Honor Roll recognizes the academic achievement of SU Student-Athletes. The award is earned by student-athletes who obtain a 3.0-or-higher grade-point average in any given semester, excluding summer.

Student-Athlete Council

The Student-Athlete Coucil (SAC) is a student-athlete organization that serves to represent the interests, opinions and concerns of SU student-athletes. The four main objectives of the SAC are to:

1. Provide open communication between Syracuse University Student-Athletes and the Athletic Administration.
2. Determine the need for areas of expanded education or social programming for student athletes.
3. Encourage teams to support and interact with other teams.
4. Actively participate in community outreach programs.

SU Student-Athletes Receive Ninth Straight Chancellor's Award For Public Service

Syracuse University student-athletes were selected to receive a Chancellor's Award for Public Service for the ninth-consecutive year. Community service leadership awards are given annually to Syracuse University students and student organizations that exemplify the highest ideal of sustained, quality service to the Syracuse community.

The award recognized the work of the Student-Athlete Council's 'CUSE Cares Community Outreach Program.

SU student-athletes were involved in various community service projects throughout the 2005-06 academic year.

They started the year by working with voluteers from the Syracuse community to raise funds for the American Red Cross' Hurricane Katrina Fund. The group raised more than $57,000, collecting donations at the football game against Buffalo.

The student-athletes then held the ninth annual Dollar Day at the Dome, in conjunction with the United Way. More than 200 student-athletes worked to raise money for the charity during the SU football game against Virginia. Since 1998, SU student-athletes have raised more than $45,000 for the campaign.

In addition, the student-athletes worked to gather books for the Success by 6, "Bring on the Books" campaign, collecting more than 400 gently used books and almost $400. The effort allowed Success by Six to distribute books to needy childcare centers and after school programs throughout Onondaga County.

The Orange football team participates in many community activities, primarily during the off-season. In the Spring, members of the squad visited schools, after school programs, community centers and the YMCA.

The 26-year old Carrier Dome is nestled in the heart of campus, built on the same site that Archbold Stadium sat for more than 70 years.

DOME-INATION – IN THE LOUD HOUSE!

Carrier Dome

When people think of Syracuse football, they think of the Carrier Dome. And every time the Carrier Dome is mentioned people will think of SU football because, when it comes to home-field advantage, Syracuse had a definite edge. Syracuse is privileged to have one of the finest, most unique and intimidating facilities in the country.

The Carrier Dome, located on SU's campus, is the only domed stadium in the Northeast and the largest structure of its kind on any college campus in the country. In fact, Syracuse is the only I-A university in the nation that plays its home football and men's basketball games in the same domed, on-campus stadium.

The Dome is a signature of the Syracuse skyline (opposite page, middle) and a stapel of the community. In addition to hosting Orange athletics events, the Dome is home to concerts (opposite page, bottom), commencement and a host of other events.

While the structure itself is special, so is the staff that manages it.

Senior associate athletics director Pat Campbell oversees all operations of the Carrier Dome, including all event day and non-event day activities. He is responsible for scheduling all events and for contract negotiations with third party organizations and promoters. Campbell joined the Dome staff in 1981 and has been managing director of the Dome since 1991.

Associate athletics director Pete Sala is responsible for all athletics department facilities and operations, including the Lampe Athletics Complex and the Carrier Dome. Sala started at the Dome in 1982 as a production assistant and was promoted to production manager in 1988 and operations manager in 1991.

September 20, 2005 marked the 25th anniversary of the opening of the Carrier Dome. During that time, it has been the site of NCAA men's basketball tournament games, NCAA men's and women's lacrosse national semifinals and finals, as well as the Empire State Games and AAU Junior Olympics.

Gaddy Fortune was a 2006 Third-Team All-American. She tallied 47 goals, the second-most in school history.

Michelle Sola (above) and Paige Sullivan were selected to the 2006 All-Mideast Region First Team.

IOCOLANO-PETTY FOOTBALL COMPLEX

Perhaps the most captivating aspect of the football wing is the Team Court Patio area which greets visitors outside the main entrance. At its center is a granite dome which documents the accomplishments of SU football teams over the years. Once inside, visitors are consumed by the many displays that chronicle SU's storied football tradition.

The two-story Iocolano-Petty Football Wing serves as a state-of-the-art home to the Orange football program.

In June, 1996, the football wing was named the George R. Iocolano and William C. Petty Football Wing, in honor of two premier alumni and benefactors of Syracuse University and its athletics program.

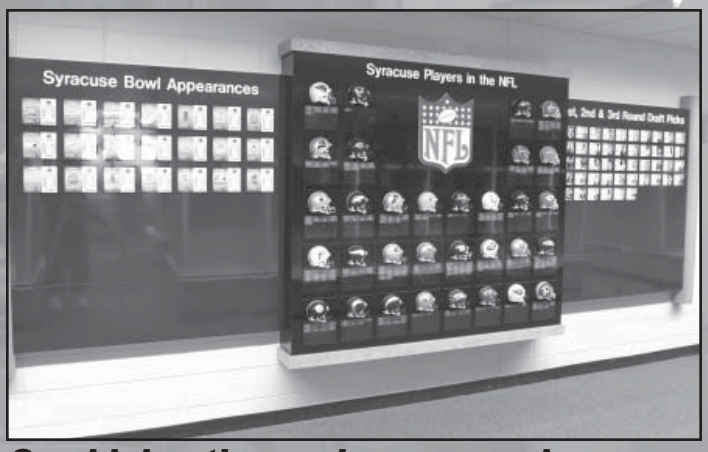
Constructed in 1991, the football complex is connected to the constantly expanding Manley Field House and the SU athletic department offices, and lies adjacent to the outdoor practice fields. The building's entrance opens into a spectacular two-story atrium that features a football Hall of Fame, and recruiting gallery. The area includes trophies, memorabilia and artifacts of SU's storied football history. Look above and you can see the sun stream through an arched skylight running the length of the lobby.

IOCOLANO-PETTY FOOTBALL COMPLEX

Practice fields, both FieldTurf and artificial surface, are adjacent to the football complex. One of the best aspects of the complex is the accessibility of everything to the student-athletes.

An 11,200 square-foot, state-of-the-art strength and conditioning facility was constructed in 2005. The lower level is dedicated to free weights and weight machines. The balcony level is used for cardiovascular equipment.

The Football Wing's first floor includes the 175-seat Ferguson Auditorium/ Amphitheater, recruiting offices, a computer cluster for student-athletes, meeting rooms, a video room and the office of Coach Robinson. The second level is devoted to offices for the assistant coaches and eight team meeting rooms, some of which look down on the entry gallery. The wing also includes a reception area, study lounges and a cafeteria that allows training table meals to be prepared on site. In 2001, the football lockerroom was expanded and a football sports medicine complex was added.



Combining the modern conveniences of the Manley Football Complex with the perfect playing conditions of the Carrier Dome, it is easy to see why the football facilities at Syracuse are considered second to none.

ERNIE DAVIS – THE ELMIRA EXPRESS

Ernie Davis led the Orange to a national championship and two bowl victories, broke Jim Brown's Syracuse rushing records, helped build the tradition of the number "44" at SU and made a societal breakthrough in 1961 by becoming the first African-American to win the Heisman Trophy. The legacy of Ernie Davis, the "Elmira Express," is one of "What was...and what could have been..." Ernie Davis was that rare athlete who is remembered as much for who he was as what he achieved on the field of play.

The trophy and display room in the Carrier Dome is named the Ernie Davis Room.

The Browns retired his jersey number "45", despite the fact he never played a down in the NFL.

Davis was the first player taken in the 1962 draft by the Washington Redskins. He was traded to the Cleveland Browns where Paul Brown hoped to team Davis in a dream backfield with the man whose records Davis had broken at Syracuse — NFL rushing king Jim Brown. The dream never came to be. Davis died of leukemia in 1963, a wonderful and beloved young man stricken down in the prime of his life. But the memory of Davis lives on: The Leukemia Foundation presents the Ernie Davis Award annually to a football player, past or present, who exemplifies Davis' qualities — "excellence of character and integrity, and service to mankind."

His hometown of Elmira, N.Y. has built a statue to commemorate Davis' achievements. In addition, the award honoring the outstanding football player in the area and the Section IV all-star game bear Davis' name as does the local middle school. The place where Davis played grade-school basketball was renamed the Ernie Davis Community Center. The Ernie Davis Scholarship is presented annually to a high school senior, and the Ernie Davis Family Center is currently being built in Elmira.
